TAX CREDIT***
On qualifying models and installation

***US Internal Revenue Code Sec. 25(C) effective Jan. 1, 2023, for heating a residence. For models that qualify and for more details visit CentralBoiler.com. Consult a tax professional with any questions.

The Classic Edge HDX outdoor wood furnace is easy to operate and maintain. Models to match many installation scenarios are available.

- **Value AND performance** - the revolutionary new patent-pending design of the Classic Edge Titanium HDX combines value and performance without sacrificing Central Boiler quality, reliability and performance.
- **Up to 60% less wood** - compared to traditional and some other methods of wood heating.
- **Stainless steel firebox** - constructed of titanium-enhanced stainless steel, the inside of the firebox is impervious to corrosion and provides excellent heat transfer performance.

- **Easy to maintain** - firebox design and heat exchanger system make for easy maintenance and cleaning.
- **Easy to operate** - FireStar combustion controller takes the guesswork out of operating.
- **Monitor your furnace anywhere** - FireStar combustion controller with onboard Wi-Fi keeps you in constant contact with your Central Boiler furnace if you're away. FireStar can even send you reminders such as when to add wood.

combustion controller with onboard Wi-Fi keeps you in constant contact with your Central Boiler furnace if you're away. FireStar can even send you reminders such as when to add wood.
